This Privacy Policy ("Privacy Policy") is associated with a website owned by Pruvit Ventures, LLC. ("Pruvit"). Pruvit's network of applications and websites includes numerous product marketing websites (the "Websites"). The Privacy Policy is in effect for all Websites owned and operated by Pruvit or its affiliate companies. By using any of the Websites, you signify that you have read, understand and agree to be bound by this Privacy Policy.

This policy applies to all online communication with Websites owned by Pruvit or its affiliated companies. When you provide us with online information through any of the Websites, we respect your privacy. It is important for you to understand what information we collect about you during your visit and what we do with that information. Your visit to any of our Websites is subject to this Privacy Policy and our Terms and Conditions.

1. Information Collected

We may share or transfer any non-personally identifiable information with or to our affiliates, licensees and partners.

All of our Websites are intended for adults. We do not knowingly collect personal information from children under the age of 13. However, if the parent or guardian of a child under 13 believes that the child has provided us with personally identifiable information, the parent or guardian of that child should contact us at support@pruvithq.com if they want this information deleted from our files so that it is not in retrievable form. If we otherwise obtain knowledge that we have personally identifiable information about a child under 13 in retrievable form in our files, we will delete that information from our existing files so that it is not retrievable.

We may contract with companies or individuals to provide certain services including email and hosting services, credit card processing, shipping, data management, surveys and marketing, promotional services, etc. We call them our Service Providers. We may share personally identifiable information with Service Providers solely as appropriate for them to perform their functions, but they may not use such information for any other purpose.

Finally, Pruvit may disclose personal information in special cases: (1) when we have reason to believe that disclosing this information is necessary to identify, contact, or bring legal action against someone who may be causing injury to or interference with (either intentionally or unintentionally) the rights of Pruvit or to anyone that could be harmed by such activities; (2) when we believe in good faith that the law requires it; (3) to any third party who may acquire Pruvit; and (4) in situations involving threats to the physical safety of any person.

3. Ensuring Your Security

We use Secure Sockets Layer (SSL), an advanced security protocol that protects your credit card information and ensures secure online ordering. SSL Internet connections are encrypted, and thus protect all credit card ordering information, including your name, address and credit card number, so it cannot be read in transit. We use secure technology, privacy protection controls, and restrictions on employee access, to safeguard your personal information. Please note, however, that although we employ industry-standard security measures to safeguard the security of your personal information, no transmissions made on or through the Internet are guaranteed to be secure.
