Prüver partner,

Welcome to Prüvit Prüformance Rewards.

Our cloud based company is designed to be more efficient and effective with less overhead, which enables us to pay out more commissions to our community. Prüvit believes that the strength of the company is our community and the people that drive our message, products and programs. This is where we want the rewards to go.

Our philosophy is very simple. We don’t want to sell our product, we want to inspire people to pursue better with stories that you create. Selling a product is one thing, however, building a brand is another. To build a competitive, relevant brand, we knew we had to look further than just a product; we had to envision a larger purpose, a deeper reason for what we were doing.

The Prüvit Prüformance Rewards is designed to incentivize you to help socialize our stories and product with others and reward you for your reach and the ripple effect that you create. We all have value in today’s marketplace and should be rewarded for our influence.

We designed the program for the average person that wants to make a full time income. Our goal is to help more people go full time faster than any other company in the marketplace and in that same spirit, we’ve designed multiple Go Challenge resources to support your ambition as you launch your new business.

The power of the Prüformance Rewards includes incentives to get everyone to “GO” and get started. Let’s dive in, learn more, and pursue better together everyday.

Simple, aggressive and powerful!

All the best,
Your Prüvit Team

I AM GOING TO BREAK THE RECORD. I AM GOING TO BE A BETTER PARENT. I WILL RUN A MARATHON. I WILL LIVE WITH PURPOSE. I AM GOING TO WIN THE RACE. I WILL INSPIRE OTHERS. I AM GOING TO BE FINANCIALLY SOUND. I WILL TRAVEL THE WORLD. I WILL TO BE A LEADER. JUST PRUVIT...

All rank qualifications and commissions in Prüvit Prüformance Rewards are based on the BV (Bonus Value) assigned to all commissionable products sold.

**Personal Qualifying Volume (PQV)** is earned from:
1. The Promoter’s own initial purchase of products.
2. The accumulation of PQV from more than one of the Promoter’s own orders.
3. The sale of products to Customer.
4. Any combination of the above three scenarios.

**Team Volume (TV)** is calculated by:
5. The total BV within a given qualification period in the first three levels of a Promoter’s Sponsorship Tree, in addition to BV from the Promoter’s own personally enrolled Customers.
6. TV is compressed based on Promoter membership.
7. TV does not include personal orders.

**Group Volume (GV)** is recalculated based on a calendar month, based on a Promoter’s Placement Tree at the conclusion of the month:
8. GV is based on the BV within a given qualification period in the Placement Tree.
9. All GV is reset at the beginning of each new month.
10. No GV is ever carried over.
11. Refunded items that produce GV are deducted from the monthly GV total of the month in which the refund is issued.

**70% RULE:**
No more than 70% of your GV can come from one team. A team is any personally enrolled Promoter and their entire Community volume.

**PENDING PERIOD:**
Your monthly Paid Rank is confirmed on the 15th of the following month, after a 15 day true-up (Pending Period). All volume adjustments due to failed credit card charges, product refunds, etc. that occur during this 15 day period, and that are applicable to orders processed during the previous month, will be factored into all rank qualification and commission calculations for that month.

POSITION

Sponsorship Tree: The entire downline hierarchy based on all personally enrolled Promoters being put on only the first level. Therefore, does not include those sponsored by an Upline Promoter.

Placement Tree: The entire downline hierarchy based on how all Promoters are positioned, including those who have been sponsored by an upline Promoter and “placed”.

VOLUME

BV (Bonus Value): The points assigned to all commissionable products.

PQV (Personal Qualifying Volume): The total amount of Bonus Value (BV) produced by the Promoter from his/her personal purchases and from sales to their Customers. PQV is one of the primary factors in determining personal income qualifications. PQV is calculated by looking back 31 days, providing members with a 1 day grace period.

Leg Volume (LV): The total amount of BV in each of a Promoter’s Placement legs. All those on a Promoter’s first level within the Placement Tree are considered the top of that leg.

NV (New Volume): The BV produced by all orders placed during the first 30 days of all new personally enrolled Customers and Promoters. Used only as a qualifier for certain bonuses.

GV (Group Volume): The total BV within a given qualification period in the Placement Tree.

TV (Team Volume): The total BV within a given qualification period in the first three levels of a Promoter’s Sponsorship Tree, in addition to BV from the Promoter’s own personally enrolled Customers. TV also includes BV from orders of Customers enrolled by Promoters on your first three levels. TV does NOT include BV from a Promoter’s own purchases.

PTV (Personal Team Volume): The total BV within a given qualification period in the first level of a Promoter’s Sponsorship Tree. Includes volume from personally enrolled Customers and Promoters. But NOT volume from the Customers of personally enrolled Promoters. TV does NOT include BV from a Promoter’s own purchases.

RANKS

Achieved Rank: The highest rank ever achieved by a Promoter. A Promoter will always be referenced by this rank, which is permanently assigned for as long as they remain engaged.

Paid Rank: The rank the Promoter qualified for in that particular week or month, which is the rank they are paid at. NOTE: Your monthly Paid Rank is confirmed on the 15th of the following month, after the 15 day Pending Period to process any refunds on orders placed in the previous month.

Current Rank: The rank a Promoter is currently qualified at DURING the pay period, before it ends. This rank could go up or down once the period and Pending period ends.
